WORKING TAX CALCULATOR

The Pennsylvania Department of Revenue has put out a calculator for Pennsylvanians to gauge how much money they will get from the Working Pennsylvanians Tax Credit. Using the same factors as the federal Earned Income Tax Credit, the calculator provides another tool for Pennsylvanians going into tax season. The tax credit was introduced in the 2025-26 State Budget as a bipartisan win for working class families with \$193 million being spent on the program. More information on the calculator and the tax credit can be found [here](#).

FARM SHOW JITTERS

A Northumberland County horse has tested positive for a mild strain of equine herpesvirus, raising new concerns among Pennsylvania exhibitors just weeks before the 2026 Farm Show. While state officials say the case isn't linked to the major Texas outbreak that killed two horses and sickened many others, some longtime competitors are now reconsidering whether to bring their animals, especially pregnant mares, due to the risk of exposure in close stabling areas. Agriculture officials say no Farm Show events have been cancelled yet, but decisions will be made soon as quarantines and monitoring continue.

EARLY DISMISSAL

Federal Judge **Cameron McGowan Currie** dismissed criminal charges against former FBI Director **James Comey** and New York Attorney General **Letitia James**, citing how the charges were brought forth. Currie claimed that interim U.S. Attorney in Eastern Virginia **Lindsey Halligan** did not have the grounds to prosecute these charges as she was installed through unlawful circumvention of the confirmation process. Halligan had previously worked as an insurance lawyer and personal lawyer for President **Donald Trump** before being appointed U.S. Attorney.

KELLY UNDER REVIEW

The Pentagon is reviewing allegations of misconduct against U.S. Senator **Mark Kelly** after he appeared in a video with several Democratic lawmakers urging U.S. troops to refuse illegal orders, prompting President **Donald Trump** to accuse them of sedition.

Defense officials said military retirees like Kelly remain subject to the military justice code, while Defense Secretary **Pete Hegseth** called the video “reckless.” Kelly, a retired Navy captain, said the investigation is politically motivated and insisted he would not be intimidated, as some legal experts believe his comments accurately reflected the law.
