It is not clear why the hole formed in the first place, but it was reported to be about eight feet deep. *Best guess is either a cave that stretches to Palmyra, or an old sewer line that gave way...*

## MACRO PLASTICS

Wawa is currently recalling various milk beverages being sold in Pennsylvania, along with other states. The recalls are for 16-ounce Wawa Dutch Chocolate Milk, Wawa Chocolate Milk, Wawa Cookies N Cream Milk and Wawa 2% Reduced Fat Milk. The recall is due to potential chunks of plastic in the products, which could be a choking hazard. No known injuries have been reported, but any consumer with the items should dispose of them and contact Wawa Customer Contact Center. *Score one for Sheetz...*
