## TESTIFIED

Former Secretary of State **Hillary Clinton** testified before the U.S. House Oversight Committee yesterday regarding her association with **Jeffery Epstein**. She remained firm of the fact that she never recalled meeting Epstein and never went to his infamous island. The hearing was not broadcast as the decision was made by the committee for cameras to be turned off. Former President **Bill Clinton** is slated to testify today.

## CASH BACK

State Farm Mutual Automobile Insurance Company announced that, in addition to the 9% rate reduction for auto insurance, it will pay customers a total of \$5 billion in dividends. For Pennsylvanians, this will translate to an average of \$94 per auto policy, varying of course on the premium paid in 2025.

## SHOOTOUT

Cuban officials killed four people on Wednesday who entered Cuban waters illegally on a Florida-registered speedboat. Of the four deaths, one American was confirmed to be killed, and another U.S. citizen was wounded. There were 10 total individuals on the boats. Cuban officials say that a passenger on board the speedboat fired first, resulting in the deadly shootout. Both the United States and Cuba have opened investigations into the incident.

## DA BEARS

International Polar Bear Day is finally here. Scientists across the globe have come together to advocate for the dwindling population of polar bears. They highlight climate change as a reason for polar bear birth rates being on the decline. This year, the focus is on moms and cubs. You can track the movement of some of these beautiful creatures using the [Polar Bears International's tracker](#).

## CONDOLENCES

Our thoughts go out to the family and friends of former Hershey Cubs hockey player, **Bradley Burden**. Burden passed after a single vehicle crash in New York on Tuesday morning at the age of 22. Our deepest condolences...
