March 27, 2026

KICKIN IT

For those of you who want to get in on the FIFA action, there are three designated fan zones across the Commonwealth to keep you up to date on all things soccer. In Reading, Santander Arena will host watch parties on July 3, 4, 18, and 19 with an outdoor block party included. In Scranton, Lackawanna County Courthouse Square open-air park will broadcast games on a big screen on July 4, 5, 6, 18, and 19. And lastly, our western friends in Pittsburgh can watch games at Acrisure Stadium on July 4, 5, 9, and 19 on the endzone screens.

OLYMPICS BAN

On Wednesday, the International Olympic Committee made a huge decision on transgender women in female categories. Transgender women will no longer be allowed to compete in these female categories. The rule will be enforced during the next summer games in 2028. All athletes will need to undergo sex testing to confirm their gender.

TEATIME

Downtown Harrisburg is getting a new addition this spring. Madame Rochéle's Apothecary is a cocktail bar with an earthy vibe, which will be located at the former Tacos Amigos location on the 200 block of North Second Street. The bar will combine a few concepts into one space, leaning towards a comfortable setting with lots of greenery. On Sundays, the space will transform into a tearoom with baked goods from the Anna Rose Bakery. The anticipated opening date is May 2 with a grand opening on Mother's Day.

YOUTH TROUT

Tomorrow, youth can get a head start on trout fishing. As part of the Mentored Youth Trout Day, kids can go trout fishing one week before the official statewide opening day. They must be accompanied by a licensed adult and can only keep two trout with a minimum of seven inches. *Good luck to the young fishers this weekend!*

Today, the Harrisburg Community is celebrating the life and work of longtime civic and business leader **Linda Goldstein**, who passed away yesterday at her Harrisburg home surrounded by her

husband and two daughters. Linda was a force for progress in the Capital Region and served more than two decades as the Chief Operating Officer of the Capital Region Economic Development Corporation. Linda was a mentor to many people in the business community, and her mark on the region will be long remembered. Funeral services will be held at 1:00 p.m. on Sunday, March 29, 2026, in the Sanctuary of Ohev Sholom Temple and a livestream of the service can be found [here](#). Godspeed Linda, we are better off for having known and worked with you.

Happy Birthday
