CHECKING OUT HISTORY

While The State Museum of Pennsylvania undergoes renovations, its educators are bringing hands-on learning into communities through a new partnership with the Dauphin County Library System. The monthly program series will offer 45-minute lessons in history, art, and natural science for children primarily in pre-K through second grade, featuring interactive activities centered on Pennsylvania wildlife, natural resources, and cultural heritage. The initiative ensures young learners can continue exploring the state's history and environment while the museum prepares for what comes next.

PLANE AND SIMPLE

The Federal Aviation Administration announced that \$1.1 billion would be invested through the Airport Improvement Program. This program would give 280 grants to airports across 46 states, and three of those airports are in Central Pennsylvania. Harrisburg International Airport received one of the largest sums in the region, \$14,508,612, which will mainly go toward taxiway repairs. Lancaster Airport was given two grants in July for reconstructing its terminal and runway visual guidance system. Capital City Airport was also given a grant of \$450,000 to help conduct an airport drainage study.

TOO HOT TO HANDLE

Public Safety Day will be co-hosted by Strawberry Square and the Harrisburg Fire Bureau today from 11:00 AM to 1:00 PM. The community will have the chance to watch search and rescue demonstrations and meet with professionals. Fire, rescue, and emergency management teams will hold a Q+A and showcase the equipment they use during rescue missions. This event will create an interactive environment to reach a large number of Harrisburg residents.

A NIGHT WITH LINCOLN

After **Abraham Lincoln** delivered the Gettysburg Address 163 years ago, marking the end of the Civil War, the borough will be paying homage to his speech. "Lincoln at Gettysburg: Shall Not Perish," will be jointly hosted by the Lincoln Fellowship of PA and Gettysburg Military National Park on November 18-19th. This immersive commemoration is designed to make visitors feel like

they were transported back in time to 1863. The town will be adorned with historic lighting, filled with civilian reenactors, and will feature fife and drum music for all to enjoy. Free tickets for reserved seating in Lincoln Square are available [now](#).

A HOLE LOT OF GOLF

Lancaster Country Club will remain a fixture on the national golf stage after being selected to host five U.S. Golf Association women's championships through 2044. The schedule includes the U.S. Girls' Junior in 2028, the U.S. Senior Women's Open in 2033, the U.S. Women's Mid-Amateur in 2037, the U.S. Women's Amateur in 2040, and the U.S. Women's Open in 2044. The announcement further cements Lancaster's reputation as one of the nation's premier venues for women's golf and extends the club's long-standing legacy of hosting major championship events.
